Adjoining the Mills is a convenient pond for the safe keeping of logs at all seasons of the year; and also a large and commodious yard sufficient for all the boards and other lumber manufactured at the mills. A horse and within a mile of the Mills, is a large and well-built Room, owned by an incorporate company, sufficient to hold all the logs that run in the River.

Also an **ISLAND** containing from 12 to 20 acres of good land, separated from the main land by a branch of the Kennebec, and connected with the Mills, on which are three convenient Dwelling Houses, one barn and other out-buildings, in a good state of repair.

SHIP AND BOAT SPIKES AND

STOCK OF DRY GOODS.
J. BARTLETT & CO. having completed their arrangements for removing their busi- ness from Bangor, beg leave to inform the public that their stock of DRY GOODS will be closed without reserve, within SIXTY DAYS from date.
Owing to the unavoidable absence of one of the partners of the firm nearly all the time, they are compelled to labor under disadvantages, which un- der other circumstances might be avoided. This with other reasons, has influenced them in coming to the decision expressed above.
The public may be assured that what is here stat- ed will be ABSOLUTELY true, and that all goods remaining on their hands at the end of the last specified will POSITIVELY be closed by auction or otherwise.
The stock comprises every variety of Dry Goods to be found in the city. They were well selected, and bought low. All of them were purchased be- fore the great rise in the New York and Boston market, and they are now offered at PRIME COST.
All persons having unsettled accounts with the firm are requested to adjust the same with- out delay, at No. 8, Main Street, Bangor.

DE RICHARDSON'S celebrated SHERRY WINE BOTTLED for the cure of all those prevalent dis- eases, called Dyspepsia, Jaundice, Bilious or Liver Com- plaints, Dizziness or Headache, Wandering or settled Pains, Sinking Fatigues, Nervous Debility, Costiveness, Piles, and all general derangements of health, caused by an unhealthy state of the stomach and bowels, which have been justly styled "the storehouse of disease." These Bitters will not only cure the above, but they will pre- clude the necessity of using Pills. Dr. E. considers it unnecessary to publish a long list of puffing recom- mendations upon which the whole merits of many advertised medicines depend.
CAUTION TO PURCHASERS.
They are put in Flat Bottles, with the following words blown in the glass, "S. O. Richardson Bitters South Read- ing, Mass." with a label which covers the cork, and be sure that a fac simile of my signature is upon the label, so that the cork cannot be drawn without destroying it, also that a fac simile of my signature upon the outer envelope with- out which none are genuine. The great success of this medicine has induced a number of unprincipled persons to imitate it in various ways. Remember his Bitters cannot be obtained of Pedlars on any pretence whatever.

CITIZENS OF BANGOR NEVER FOR A MOMENT FORGET THAT BRANDRETH'S PILLS
Can never be obtained, Genuine, of Pedlars or Druggists. They invariably sell Base Coun- terfeit, calculated to injure and therefore ruin the Genuine article! Remember! Go to SMITH & FENNO'S.

B. BRANDRETH, M. D. JUNIOR.
PUBLIC OPINION IS SOLEMON WROG. JUNIOR.
PUBLIC OPINION Public opinion is perhaps the only unerring guide from whose decision there is no appeal; and was there such a manifesta- tion of its approval, as there is with Brandreth's Vegetable Universal Pills? Step by step has this medicine wormed itself into favor, in spite of cal- der and scorn. Triumphant has been its prog- ress to its present sphere of extensive usefulness. It has surmounted obstacles before which quackery sinks paralyzed, and has gained for itself a repu- tation which neither Physicians, nor dispirited, dis- countenancing apothecaries can ever give. These charlatans, nevertheless, do assail it with the malignant shafts of their despicable envy, and which rebounds upon themselves with a power each day on the increase, until they themselves will be covered with the shame of their own manufacturing. They can no more injure the reputation of Brand- reth's Pills than they can put their head upon the sun; Or with polluted fingers tarnish it.
To discover the cause and nature of disease, if to make a medicine universal in its powers, and universal in its curative effects upon every kind of malady, proved by the cures performed upon thou- sands of persons, restored to the blessings of health, it is to do things which are scarcely worthy, then is Dr. Benjamin Brandreth entitled to the praise of this and each succeeding generation. By the means he points out, chronic infirmities and premature death are prevented. What are the means? Simply Ve- getable Purgation, and it is now an established fact that there is no other way by which a REAL CURE can be effected.
John Dorr's County Agency being discontinued by mutual consent, Sub-Agents in Waldo, Penobscot, Hancock and Washington Counties, will hereafter receive their supplies from Mr. JOHN O. LANG- LEY, Dr. Brandreth's duly authorized Travelling Agent, or from the New England Office.

The ONLY Office in Boston for Dr. BRANDRETH'S VEGETABLE UNIVERSAL PILLS.
How to be secure from Counterfeit Pills purport- ing to be Brandreth's Pills.
STREETKEEPER'S SECURITY. All persons who are authorized to travel for Doctor Benjamin Brandreth have invariably the power of attorney from him proved before the Clerk of the County of New- York. Without this is exhibited, touch, taste, nor handle.
STILL FURTHER, Dr. Brandreth's Travellers never require the money in advance. Dr. B's terms being, Medicine to be paid for when sold.
SECURITY TO THE PUBLIC. Observe that the certificate is dated this year, Eighteen hundred and thirty eight, in figures, and see that such figures are engraved, not written.
Inquire whether the power of attorney was seen when the Pills were left, &c.
All Pills having Wm. Brandreth on the label George Hodgkinson on the edge, are counterfeits, made to deceive the Public and evade the law at the same time.
These, and indeed ALL counterfeited Pills, if used according to the direction which accompany my Pills, are calculated to destroy life. They are made by men having no standing or respectability, without habitation or name, perfectly careless of conse- quences, provided money is obtained. Extract from Dr. B's address to citizens of U. S.
And be careful to remember that I have never au- thorized any Doctor, Druggist, Apothecary or Ped- lar in the U. S. to sell my pills. These contemptible persons universally sell counterfeits, and that all Tradesmen who are made agents, have each of them a copperplate certificate of agency, signed in writing with a pen-ink me; and which certificate requires renewal every twelve months, it being no guarantee for more than one year from date— observe, the date is not written, it is engraved.

VEGETABLE CERTIFICATES.
BY A. B. BRANDRETH.
CANONILE AND APERTIN PILLS.
THE DIFFERENCE.
I cannot be denied that whilst many medicines which are recommended to the public, have not even the negative merit of harmlessness, there are others which it would be great injustice indeed, and suicidal prejudice to involve untold, in a common condemnation. And when a medicine comes en- dorsed with all the great names that have adorned the annals of the medical profession, and warranted by the seal and signature of long and uniform suc- cess, its proprietor makes no unreasonable demand upon the public confidence, when he claims for it a superior consideration.
The Camomile Preparation by Dr. Wm. Evans, is undeniably entitled to this enviable distinction, for whilst no medical authority in existence condemns it, every medical practitioner that is acquainted with it, freely acknowledges its pre-eminent virtues and that the latter should do so in opposition to their personal interests, must be attributed either to their candor and love of truth, or to their unwillingness to fly in the face of all observation, and the testimony of thousands.
Dr. Wm. Evans does not pretend that his Camomile Tonic Pills will cure all diseases. He frankly and confidently admits that they will not. He lays no claim to the "discovery of the Philosopher's Stone," and wishes nobody to believe that he sells the "Elixir of Life," but he does say, and he does believe, and he can prove, that in debility and im- paired constitution, in various kinds of nervous disorders, in weakness of the digestive organs, in in- cipient consumptions, whether of the lungs or the liver; in the dreadful debility occasioned by the use of purgatives; in palsy, rheumatism, (more espe- cially in the sickness incident to mothers, and to females of relaxed nerves; in every case of delirium tremens, or that disease which is brought on by im- temperance; in the wretched horrors of body and mind which accrue from occasional intemperance; loss of appetite, languor, melancholy, pains in the head, limbs, or side; in corrupt salivary, and uncomely complexion, caused by the bad state of the fluids in all these cases, and in others mentioned in the bills of directions given with his medicines, HE DOES SAY, that the Camomile Tonic Pills, interchanged occasionally with his Aperient Family Pills, (the best known) which are sold with them, will effect immediate relief; and if used but for a fair period of trial a perfect cure. This much is placed beyond a doubt by daily testimonies which would be given on oath, and for this much Dr. W. Evans can confidently request confidence. He therefore need only add that his Camomile Tonic Pills, together with his excellent Family Aperient Pills, can be obtained wholesale or retail at No. 7, Division street near Chatham square, N. York, and his authorized agents in town and country.

Other and more conclusive demonstrations of the efficacy of Dr. Evans' Camomile Preparation and Aperient Medicines, are submitted by the following important and extraordinary cures effected by their highly medicinal qualities, all of which may be seen at Dr. Wm. Evans' Medical Office, No. 7, Division street. One or two of these he herewith re- spectfully gives to a discriminating public.
Dr. Wm. Evans. Sir, be pleased to receive the thanks of one who has been a great sufferer for several years, for the great benefits she has received from the virtues of your inestimable Camomile Pills. She has suffered with pain and distress in the head, a lightness across the head, a lightness across the stomach, shortness of breath, and palpitation of the heart; exercise would almost overcome her; but since using your Camomile Tonic Pills, her com- plaints are removed; she is able to exercise without fatigue, and she is happy today, to enjoy life com- fortably again.
Newark, July 18, 1836. Dear Sir, for four years I have been so unwell that I was unable to attend to my business, and for the last 4 or 5 months was confined in my room, my complaints were rheumatism, pains in my stomach, indigestion, and loss of appetite, with continued pain and dizziness in my head; I used different kinds of medicines without effect; until I commenced taking your invaluable Camomile and Aperient Pills; their beneficial effects upon me astonished all who knew my situation. In a few days I shall be at your office to express my gratitude to you for your medicine. In the mean time I subscribe myself your most obedient servant.

Extract of a letter from Jonas Snyder, Postmas- ter, Knoxville, Pa. to Dr. Wm. Evans. Among several cases, an elderly lady who had been phys- ically afflicted with nervous hypochondria, debility &c. that for the last 3 years she constantly received medi- cal aid from a respectable physician, but the pressure and pain on her heart and breast, and especial- ly in her left side, remained immovable, attended at long intervals with weakness in her head and on her mind keeping her discouraged to undertake any thing. In May she commenced using Dr. W. Evans' Camomile and Family Aperient Pills, according to the direction accompanying them. A reaction took place; the pains and pressure in her body were removed, her mind became clear and strong; her spirits perfectly good, and up to this time is in all respects restored to health, which for the last 10 years she has not enjoyed.
Sept. 2, 1836.

ON LOW SPIRITS. Low spirits is a certain state of the mind, accompanied by indigestion, wherein the greatest evils are apprehended upon the slight- est grounds, and the worst consequences imagined. Ancient writers supposed this disease to be confined to those particular regions of the abdomen techni- cally called hypochondria, which are situated on the right or left side of that cavity, whence comes the name hypochondriasis.
SYMPTOMS. The common corporeal symptoms are flatulency in the stomach or bowels, acid eructations, costiveness, spasmodic pains, giddiness, dimness of sight, palpitations, and often greater in- ability of fixing the attention upon any subject of importance, or engaging in any thing that demands vigor or courage. Also languidness; the mind be- comes irritable, thoughtful, desponding, melancholy and dejected, accompanied with a total derange- ment of the nervous system. The mental feelings and peculiar train of ideas that haunt the imagina- tion and overwhelm the judgment, exhibit infinite diversity. The wisest and best of men are as open to this affliction as the weakest.
CAUSES. A sedentary life of any kind, especial- ly severely studied, protracted to a late hour in the night, and rarely relieved by social intercourse, or exercise, a dissolute habit, great excess in eating and drinking, the immoderate use of mercury, violent purgatives, the suppression of some habitual discharge, or long continued arduous relaxation or debility of one or more important organs with- in the abdomen, is frequent cause.

TREATMENT. The principal objects of treatment are, to remove indigestion, to strengthen the body, and to eliven the spirits, which may be promoted by exercise, early hours, regular meals and pleasant conversation. The bowels (if costive) being care- fully regulated by the occasional use of a mild aperient. We know nothing better calculated to obtain this end, than Dr. Wm. Evans' Aperient Pills— being mild and certain in their operation. The bow- els being once cleansed, his inestimable Camomile Pills, (which are tonic, anodyne, & anti-spasmodic) are an infallible remedy, & without dispute have proved a great blessing to the numerous public.
Some physicians have recommended a free use of mercury but it should not be resorted to; as in many cases it will greatly aggravate symptoms.

HARRISON'S PERISTALTIC LOZENGES.
An approved remedy for costiveness and dyspepsia. This medicine is not put forth as a univer- sal nostrum, calculated to cure all the dis- eases incident to humanity, but rather as a means of pre- venting them. A lady safely be stated that the most serious maladies arise from the unwholesome action of the stomach and bowels, or, inducing as a natural consequence, and its results; such as head ache, acidity of stomach, heart burn, flatulency, nausea, lowness of spirits, jaundice and a whole catalogue of com- plaints, which may be entirely removed by the timely and persevering use of this remedy.
The most cogent objection to Aperients in general, is that containing some drastic purgative, which, when used, produces a torpor of the stomach and bowels, producing consequent- ly their administration was intended to cor- rect. Such effects will not follow the use of these Lozenges.

TO FEMALES IN DELICATE HEALTH.
The Peristaltic Lozenges are strongly recom- mended to the notice of every Lady, having obtained the sanction and approbation of the eminent gentlemen of the Medical Profession, as a safe and valuable medicine in removing obstructions and relieving all other inconveniences which the female frame is liable, especially the exercise and general debility of the system. They create an appetite, correct imbalances, move giddiness and nervous head ache, and eminently useful in windy disorders, pain in stomach, shortness of breath and palpitation of heart. Being perfectly innocuous, they can be taken at any time and under any circumstances, most delicate female, when an aperient is requir- ed, may have recourse to them, and they will act preventively against those nervous and hyster- ical affections which so frequently arise from costive constipation.

TO SEAFARING PEOPLE AND TRAVELERS GENERALLY.
To individuals travelling, more particularly far- ming persons, when from change of habit or mate, the liver and bowels become inactive, costiveness follows as an invariable result, these Lozenges will prove invaluable. One individ- ual writes, "I consider myself cured of costiveness to which was always subject the moment I left land, solely by the use of your medicine." The proprietor is continually receiving orders from seafaring friends for the Lozenges. When it is to be carried to sea, they ought always to be started from the box in which they are packed put into tight bottles. In this way they may keep good for any length of time.
The proprietors offers them as a cure for nerv- ous headache and general nervous affections. V. remarkable cures might be published if thought necessary.

Mr. Milhan, the agent in New York, writes, "I think it no longer necessary to advertise to extent, as heretofore, the Lozenges are now known. I am daily receiving the most satissac- tory accounts of them, and I shall always recom- mend them to my customers."
The very questionable reputation which a medicine derives from the fashionable practice of list- ing a long list of certificates, from persons whom nobody knows, has induced the proprie- tor to the opportunity of offering to the public many commendations, which he is daily receiv- ing from these Lozenges, trusting rather to their own merits, which will be apparent to all on trial, and respectability of his numerous agents.

These Lozenges have been in use for two years, the general approbation they have met with in our first families, establishes their merits and need further remarks unnecessary. They are packed in boxes which may be carried in the pocket and at fifty cents per box.
